Many thanks for your letter of 14th May enclosing the memorandum from the Chief of your Editorial Branch on the subject of duplication between Okinawa and Reseda. This corresponds pretty much to what we expected when we raised the matter and as we discussed it when you were over here. I am quite sure that you will do anything that you can to remove any duplication, but if I hear no more from you I shall assume that it is, as I expected, an irreducible minimum.

Yours sincerely,

R.D. Marriott
